

**CORE & PIZZA**  
IL VERO TRONCHETTO DI FAGGIO

## CORE & PIZZA SUPER

100% selected beech briquette from FSC® certified cultivations, of excellent quality, ecological, eco-sustainable, without bark, no glues or additives, produced only with very high pressing.

It develops abundant and long-lasting flames and a high radiant calorific power, for an ecological and safe alternative to traditional wood. It reaches very high temperatures in a short time and keeps them constant for a long time, with low consumption and low residuals. Studied and certified for professional use in pizzerias and bakeries.

- High heating power
- Chemical analysis printed on the box
- Made in Extra-UE
- Certified by Istituto Giordano for using in contact with food.
- Carbon-Tax and Kyoto 2005 compliant
- H.A.C.C.P. compliant (reg. CE 852/04)
